Expressions of Thanksgiving....

I have recently experienced a blessing from the people of this congregation through prayers, cards, visits and a beautiful prayer shawl during the surgery on both of my legs. A special thank-you to Pastor Scott for his visits and meaningful prayers. I have found out what family, friends, especially church family means to me. Thank you again and God Bless All of You.

"I WILL RISE"

Chris Tomlin (CCLI 3058479)

There's a peace I've come to know, though my heart and flesh  
may fail.

There's an anchor for my soul, I can say, "It is well."

Jesus has overcome, and the grave is overwhelmed.

The victory is won. He is risen from the dead.

And I will rise when He calls my name, no more sorrow, no  
more pain.

I will rise on eagle's wings, before my God fall on my knees

And rise, I will rise.

There's a day that's drawing near, when this darkness breaks to  
light.

And the shadows disappear, and my faith shall be my eyes.

Jesus has overcome, and the grave is overwhelmed.

The victory is won. He is risen from the dead.

And I will rise when He calls my name, no more sorrow, no  
more pain.

I will rise on eagle's wings, before my God fall on my knees

And rise, I will rise.

And I hear the voice of many angels sing, "Worthy  
is the Lamb."

And I hear the cry of every longing heart, "Worthy  
is the Lamb."

And I hear the voice of many angels sing, "Worthy  
is the Lamb."

And I hear the cry of every longing heart, "Worthy  
is the Lamb."

"Worthy is the Lamb."

And I will rise when He calls my name, no more sorrow, no  
more pain.

I will rise on eagle's wings, before my God fall on my knees

And rise, I will rise, I will rise....

# PROTECT YOURSELF FROM CYBERBULLYING

## Bullying does not always happen in person.

Cyberbullying is a type of bullying that happens online or through text messages or emails. There are things you can do to protect yourself.

- **Always think about what you post.** You never know what someone will forward. Being kind to others online will help to keep you safe. Do not share anything that could hurt or embarrass anyone.
- **Keep your password a secret from other kids.** Even kids that seem like friends could give your password away or use it in ways you don't want. Let your parents have your passwords.
- **Think about who sees what you post online.** Complete strangers? Friends? Friends of friends? Privacy settings let you control who sees what.
- **Keep your parents in the loop.** Tell them what you're doing online and who you're doing it with. Let them friend or follow you. Listen to what they have to say about what is and isn't okay to do. They care about you and want you to be safe.
- **Talk to an adult you trust** about any messages you get or things you see online that make you sad or scared. If it is cyberbullying, report it.
