NEW Updates: The Annual Shenandoah District Disaster Auction and Sale is coming LIVE!

Due to the recent changes in the number of people who can meet in an outdoor venue at the Rockingham County Fairgrounds, the Disaster Auction Coordinating committee may use the Barn Complex for live auctions this year. Given this opportunity, the committee has determined to move forward with the May 21 and 22 auction weekend, featuring a live, in-person auction on Saturday and the livestock auction on Friday evening. All events, except for the sale of food items, will be held in the newly redesigned Barn Complex. This area provides space to spread out to meet physical distancing requirements, and parking is close by, including accessible parking. Restrooms are located within the building, with additional facilities nearby.

All food items will be for sale in one of the buildings close to the barn. Drive-by pick up for Friday evening dinner and Saturday lunch options are being considered and more information will be released later about take-out food options. Unfortunately, the Friday evening oyster meal and the Saturday breakfast and lunch will not be available this year.

The logo features a circular emblem on the left with a cross in the center. The text 'CHURCH OF THE BRETHREN' is written around the top of the circle, and 'Disaster Response' is at the bottom. Inside the cross, the words 'BRETHREN' and 'SERVICE' are visible. To the right of the emblem, the text 'Auction May 21-22 2021' is displayed in a bold, yellow font on a dark red background.

Tentative Schedule:

Items for the live auction and items to be priced may be brought to the fairgrounds on Thursday (May 20) from 10 a.m. to 6 p.m. or on Friday morning (May 21).
